Commitment to Positive Communication

At ESPINOZA VEIN INSTITUTE, we believe that respect and courtesy are fundamental to any relationship, including the provider-patient relationship. Therefore, to foster a supportive and positive environment at our workplace, we require **all** interactions, both with our staff and within our patient community, to be free of derogatory, disrespectful or abusive conduct.

To preserve this environment, we are committed to promptly addressing disrespectful or inappropriate behavior, through direct discussions to resolve minor incidents. For any recurring or extreme incidents, we reserve the right to discontinue services or have individuals removed from our premises to protect the well-being of all involved.

We truly value each of our patients and are committed to maintaining a positive and professional atmosphere that everyone appreciates. We believe that with your cooperation, this arrangement will ensure a beneficial experience for everyone.
